

Lewisville Fire Department presents:

ALL SAWS 2024

February 19
February 26

February 21
February 28

February 23
March 1

This eight-hour class includes basic saw maintenance and care, vertical ventilation, forcible entry, bucking, climbing, and basic tree removal. Students will have the opportunity to learn best practices for a variety of saw skills. At the end of the day, students will demonstrate safe operation of a chainsaw, rescue saw, and radial saw.

Class hours are **8 a.m. to 5 p.m.** each day. The same class will be presented each of the 6 days. Students should bring full PPE and eye/ear protection (airpack not required).

Lunch is not provided.
